InfoPrint 75 and InfoPrint 100 are new laser printers that provide the document sequence integrity of continuous forms printing in a compact footprint backed by around-the-clock service. For documents that must remain in page sequence, the InfoPrint 75 or InfoPrint 100 can print invoices, picking slips, labels or mailings with the high throughput of a continuous forms printer. These entry-level continuous forms printers feature ease of loading for box fanfold forms and easy unloading from a power stacker. The highly reliable tractor feed paper path can print forms formatted in 1-up landscape format or 2-up portrait format

with a simple adjustment in the paper path. The print speeds range from 75 impressions per minute up to 154 impressions per minute,¹ providing very efficient operation. Print output is at 600 DPI, providing superb clarity on text, graphics and sharply defined barcodes. The InfoPrint 75 and InfoPrint 100 are backed by InfoPrint Availability Services that can be tailored to your operating requirements. These printers are Energy Star Compliant and support an energy-efficient operation.
